OPEN DOOR SCHOLARSHIP PROGRAM

The Open Door Scholarship Program 2024-2025, funded by the Florida Department of Education, is designed to support students completing short-term and technical education credentialing courses. The goal of the program is for participants to successfully attain a workforce certificate in high-demand fields. This addresses and closes the gap between the skills needed by workers in the state and the skills of the available workforce in the state.

The Open Door Scholarship Program covers **100%** of the cost associated with approved courses. Funds from the program must be used to cover the cost of tuition, fees, examination, books, and materials

Applicant must be a Florida resident for at least one year, 18 years or older, meet program requirements, and must be in good financial standing with HCC.
